

3.7 miles from the church

Greetings to riders and volunteers,

Weather permitting; we will be holding our next few rides at Mary Branscomb's ranch in Lamoille. Our ride times will be the same, but you will need to factor in an extra 15-20 minutes to get there as she lives about 4 miles the other side of Lamoille.

Please let me know if you cannot make it on time, and how late you expect you'll be. Chances are you can still participate as we often ride in Mary's arena before heading out into the pastures.

Attached is a map of how to get to Mary's.

See you there!  
Carolyn
